

Tails on the Trail

RUN/WALK FOR ANIMALS

Easy ways to get involved!

Form a team

Start a team with your employees and co-workers! Your team can compete for one of our top team prizes and each team member can earn individual fundraising prizes.

Become a sponsor

Looking for a powerful marketing opportunity that demonstrates your involvement as a community leader? Event sponsorships starting at \$1,000 include vendor booth space at the event, and provide the benefit of a strong media and public relations presence that's more targeted than traditional advertising.

Start a company fundraiser

Raise funds for the animals by getting your company involved! Host a bake sale, jeans day, chili cookoff, bring your dog to work for a \$5 donation, pet photo contest, etc. The possibilities are endless, but the best way to raise more for the animals is by doing it together! Bonus: Funds raised during company-wide fundraisers can qualify your company for sponsorship benefits! Contact us to find out how!

Cover registration fees

Want to support Tails on the Trail, but not interested in a sponsorship? Consider covering the registration fee for employees! It's a meaningful way to support a cause your employees care about while providing an excellent team building opportunity. We'll even send out an invoice once all registrations have been tallied, so it's easy to track and simple to pay for.

Match employee donations

Does your company offer matching gifts? If so, let your employees know! Just like if you sent in a \$25 check to WHS, donations made to Tails on the Trail are tax-deductible and go right back to supporting the animals! Many generous employers in the Milwaukee area encourage charitable contributions by matching your gift dollar for dollar. It's one of the easiest ways to double your impact, PLUS, employer matching gifts count toward Tails on the Trail fundraising prizes!

Become a vendor

Interested in a great way to reach and interact with new customers? Vendor fees start at just \$50 and are an excellent way to connect with the community.

*Your support for events like Tails on the Trail makes it possible for WHS to care for 35,000 animals every year. WHS receives no general government funding and relies on the support of individuals like you. Thank you for considering joining us at Tails on the Trail on **Saturday, June 23, 2018!***
